About Us

Sovran Arms is a trusted Turkish firearms manufacturer dedicated to becoming a leading name in the global defense and sporting arms industry. Established in Turkey, Sovran Arms builds on over 45 years of experience in firearms craftsmanship, combining traditional expertise with modern engineering to deliver reliable, high-performance solutions.

Today, Sovran Arms expands beyond shotguns, offering a growing portfolio of firearm components and accessories designed to meet the evolving needs of global markets.

Sovran Arms also manufactures a wide range of shotguns. You can access our latest shotgun catalog at www.sovranarms.com.

In addition, we offer AR and AK platform parts, as well as firearm accessories compatible with Picatinny and M-LOK systems.

For product inquiries, custom requests, or special projects related to firearms and accessories, please do not hesitate to contact us.

Sovran Arms Distributorship

Sovran Arms prefers to work with exclusive country distributors, even when it is not mandatory.

Our goal is to eliminate spare parts and service concerns in every market we enter.

If you would like to become the official Sovran Arms supplier in your country, please contact us.

Sovran Arms guarantees the availability of spare parts for at least 10 years for every product, and provides reliable after-sales service to match the high quality of our firearms and parts.

SOVRAN ARMS[®]

"Leader Redefined"

*Marksanship is not only about pulling a trigger.
It is about discipline, awareness, and responsibility.*

*Every shot you take is a reflection of your training, your
focus, and your respect for the power in your hands.*

*Defense is not an option; it is a duty. The ability to protect
yourself and your loved ones requires more than a firearm. It
requires commitment, precision, and the mindset of a true
guardian.*

This is what it means to be a Sovranner.

Not just an owner, but a defender.

Not just a shooter, but a protector.

Carry the legacy with pride.

*True strength lies not only in the weapon, but in the discipline
and responsibility of the one who wields it.*
