NEW SOVRAN RECOIL REDUCER

Real "Gun Control"

Up to 40% recoil reduction depending on ammunition weight.

Engineered for most vertical magazine shotgun platforms made in Turkey.

Standard on Sovran SVR-12; optional for other Sovran vertical-mag shotguns.

Quick, tool-friendly installation with simplified schematic included.

Robust, tested design for consistent performance and control.

***Recoil reduction varies by load and barrel length.**

See installation guide for compatibility and fitting instructions.

About Us

Sovran Arms is a trusted Turkish shotgun manufacturer dedicated to becoming the best in the global firearms industry. Established in Turkey, Sovran Arms builds on over 45 years of experience in firearms craftsmanship, combining traditional skills with modern engineering to produce world-class shotguns designed for reliability, performance, and safety.

What We Do?

Sovran Arms designs and manufactures a wide range of high quality shotguns, serving civilian users, hunting professionals, law enforcement, and firearm dealers worldwide. Every product is built with a focus on precision and long-term durability.

Whether you're looking for compact tactical firearms or classic hunting shotguns, Sovran Arms offers solutions that meet both personal and professional demands.

Why Sovran?

- ATF Approved Reliable Shotguns
- Made in Turkey, Delivered Worldwide
- U.S. Distribution Warehouse
- Experienced Engineering Team
- Uncompromising quality control

Sovran Arms Distributorship

Sovran Arms prefers to work with exclusive country distributors, even when it is not mandatory. **Our goal is to eliminate spare parts and service concerns in every market we enter.**

If you would like to become the official Sovran Arms supplier in your country, please contact us.

Sovran Arms guarantees the availability of spare parts for at least 10 years for every product, and provides reliable after-sales service to match the high quality of our firearms.

Contact Form

*Marksmanship is not only about pulling a trigger.
It is about discipline, awareness, and responsibility.*

*Every shot you take is a reflection of your training, your
focus, and your respect for the power in your hands.*

*Defense is not an option; it is a duty. The ability to protect
yourself and your loved ones requires more than a firearm. It
requires commitment, precision, and the mindset of a true
guardian.*

*This is what it means to be a Sovranner.
Not just an owner, but a defender.
Not just a shooter, but a protector.*

*Carry the legacy with pride.
True strength lies not only in the weapon, but in the discipline
and responsibility of the one who wields it.*
